PROFILE

Results-driven marketing and sales professional with hands-on experience increasing brand visibility, managing client relationships, and driving revenue growth. Skilled in website development, proficient in CRM systems and digital platforms to monitor performance, optimize outreach, consistently achieve sales targets.

WORK EXPERIENCE

ELISCOFIT (US-BASED)

APR 2026 - PRESENT

Virtual Assistant

- Conducted high-volume cold outreach via direct messaging to generate leads and initiate client conversations for a U.S.-based fitness business.
- Managed and maintained ongoing client engagement through consistent daily follow-ups, improving response rates and conversion opportunities.
- Built and nurtured relationships with prospective clients by handling conversations professionally, aligning responses with brand tone and sales goals.

CODE TRAIL DEVELOPERS (US-BASED)

NOV 2025 - MAR 2026

Sales Representative

- Generated B2B leads for MedConnect's pharmaceutical products using LinkedIn Sales Navigator and targeted outreach to decision-makers at compounding pharmacies.
- Conducted cold calls to pharmacies to introduce products, pitch value propositions, and convert prospects into active buyers.
- Managed daily follow-ups, CRM updates, and activity tracking through structured SOPs to maintain a consistent and growing sales pipeline.

SOTG (US-BASED)

OCT 2023 - NOV 2025

Social Media Manager & Lead Generation Specialist

- Developed and implemented engaging social media strategies to enhance brand visibility and audience engagement across platforms like Instagram, Facebook, and LinkedIn.
- Analyzed content performance and adjusted strategies to improve reach, engagement, and follower growth.
- Performed targeted web research and data scraping to generate high-quality B2B leads, enhancing outreach efficiency for the sales and marketing team.

TECHNOPRIME

APR 2022 - AUG 2022

Sales Representative

- Demonstrated a proactive approach to customer service, consistently exceeding expectations and earning positive feedback from clients.
- Handled a high volume of inquiries while maintaining attention to detail and accuracy in issue resolution.
